DESIGN INSPIRATIONS

1 Using traditional methods of English construction, Scarborough House hand crafts each piece of furniture for discerning clientele around the world. Traditional designs, classic country and their newest collection add flair to include transitional settings. Their collections are sold through high end furniture stores, boutiques and designers. Tel.: +1 336 309 3798 www.scarffi.com.ph

3 The Collection Allegretto by Fine Art Lamps pendant includes a white textured linen shade surrounded by geometric metal fretwork in a silver-leaf or brushed gold-leaf finish. Fine Art Lamps is world renowned for original, elegant lighting designs favoured by discerning designers. Their vast array of lighting brings any environment to life. Tel: +1 305 821 3850 www.fineartlamps.com

2 Nathan Anthony's new Rocco sectional, with its tubular modern brass base is one of many custom treatments available from Nathan Anthony Furniture. The extensive line of upholstered bench made furniture features styles from global transitional to soft modern. The fabric library is a mélange of plains, textures and patterns. Tel.: +1 323 584 1315 www.nafurniture.com

4 John-Richard continuously strives to provide innovative and fashion-forward designs for the home, such as this mirrored console featuring clean lines and a platinum finish. The passionate attention to detail by the company's own design staff assures the designs work cohesively, a trademark for which the company is well known. Tel: +1 662 453 5809 www.johnrichard.com
