## DESIGN INSPIRATIONS

**1** John-Richard excels in fine contemporary and transitional designs such as this Sunburst two-door cabinet. The sunray pattern radiates from the gilt base and the rays are set at different levels for added effect and randomly veneered in fisheye ofram. The Macassar ebony top and plinth provide balance.

**3** This handsome new sofa is called Liberte. Designers will appreciate the stylish curves, plush diamond tufting and floating plinth base, and it is available in a wide choice of colourful, shiny velvets. Liberte is one of the new offerings from Nathan Anthony's extensive line of custom designs, all bench made in California.

**2** The delightful Vintage Hotel Collection was created from original hotel decals, blown up to show their antique font details. Playful and colourful, these designs add a special vintage aesthetic to the extensive collection by E.Lawrence Ltd. To the trade only, the firm specialises in exceptional and rare designs.
