TRUST DESIGNER **Jonathan Adler** (right) to come up with the perfect piece for some 'louche lounging' and 'sassy socialising'. His new Maxime daybed combines sinuous lines with sculptural allure, it's the perfect perch for glamorous beholds. Luxe personified! www.jonathanadler.com

SINGULARLY SIMPLE the Gobi collection, by **Nathan Anthony**, has no visible wood or metal. Gobi creates an uninterrupted line across the width of its pieces, which include a sofa, sectional, accent chair and ottoman. Building on this linear look, the seating features thin-edged cushions that are minimalist in shape but cosy in feeling.
