A photograph of a charming stone building with a large window, a wicker chair, and a table with flowers in a garden setting. The scene is a well-maintained garden with various plants, flowers, and a wicker chair. A large window with a white frame is visible on the left side of the building. A wicker chair is positioned on the right side of the garden. A small table with a blue frame holds a large bouquet of pink and purple flowers. A large terracotta pot with pink flowers and a copper watering can are in the foreground. The ground is covered with gravel.
