

*Get ready for “Soft,” launching this month. This season’s plush sectional debut is shown here in a performance Bouclé fabric, complemented by our popular Blondey finish on the frame’s distinctive Alderwood legs.*

## Signature Flair

Nathan Anthony is excited to announce NEW upholstery styles launching this month—each available with a host of custom options to address your interior design project needs. The new items will be showcased throughout April on Instagram at [@nathananthony\\_official](https://www.instagram.com/nathananthony_official), and you can also stay tuned for more details dropping in our April newsletter later this month.

We’ll miss seeing you at High Point Market this month as we ponder an expanded showroom there along with our growth strategy for the Los Angeles trading area! In the meantime, our Custom Design Concierge™ team is ready to assist you with questions and orders.
